The Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C.

Dear Dick:

I will appreciate very much receiving CIA's continued assistance in the processing of ONNI personnel for special-type clearances which will be needed as we acquire additional personnel. In order that ONNI may arrive at a capability to serve as an all-source narcotics intelligence center I estimate that a total of some 25 to 30 ONNI analytic and other personnel will require SI and TK clearances. Should it develop that this estimate is substantially off the mark I will so inform you. Meanwhile, ONNI will take steps to ensure that personnel and security requirements will be met, in coordination with CIA and NSA, or any other department or agency whose sensitive data may be involved.

Cordially,

Bill
